## HANCOCK OVER THE YEARS

### Excerpt 1970 Town Report:

A year of belt tightening, reappraisal and continued growth. ....In spite of a changed economic climate the Town grows. It shows by official population figures to be up 21.7% in a decade to 879. It is part of a growth pattern in southern New Hampshire.

...Speaking of the "good old days" we had a good old fashioned Christmas. Twenty-four inches of snow on the ground, some think it was a record for the date.

### Excerpt 1920 Town Report

Superintendent's Report To the School Board of Hancock

...It is the policy of the State Board of Education that, in time, each school district in the state shall possess school buildings of an adequate standard, so that every child in the state may attend a school in a sanitary building, suitably lighted, properly cared for, and adequately equipped with the requisite amount of school appliances necessary to conduct successfully the process of education. To this end certain minimum standards were set forth to which all buildings must conform. ...It is quite necessary, therefore, that in the appropriations this year some definite step along this line may be taken.

### Excerpts from 1895 Town Report

Report of Committee On Common

.....the committee were unanimous in opinion that it was essential for the town to have a permanent plan to work by from year to year. The various schemes suggested with reference to the expenditure of the Whitcomb legacy were reported to the committee as follows.....the acquiring of that portion of the shore of the lake by the town would make it possible for the town to maintain a public boat landing and bathing house in summer, and would render it possible to get ice without trespassing on private property to do so.

...should be acquired if it is desired to produce satisfactory and harmonious results.

THE STATE OF NEW HAMPSHIRE  
TOWN WARRANT

To the Inhabitants of the Town of Hancock, in the County of Hillsborough in said State qualified to vote in Town Affairs: You are hereby notified to meet at the FIRE STATION in said Hancock on Tuesday, the twelfth day of March next at eight of the clock in the forenoon until seven of the clock in the evening, for ballot voting of Town Officers and all other matters requiring ballot vote; and, to meet at said FIRE STATION in said Hancock, on Saturday, the sixteenth day of March next at nine of the clock in the morning, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of nine hundred fifty-four thousand, six hundred nine dollars (\$954,609) which represents the operating budget, inclusive of the Water Department operations. Said sum exclusive of all separate articles addressed; or take any other action relating thereto.
3. To see if the Town will vote to raise and appropriate the sum of Fifty-one thousand dollars (\$51,000) for the purpose of conducting a full revaluation of the Town of Hancock; and authorize the transfer of twenty-four thousand forty-four (\$24,044) of the December 31, 1995 fund balance for this purpose. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the project is completed or in three years; or take any other action relating thereto. Selectmen recommend this appropriation.
4. To see if the Town will vote to raise and appropriate the sum of Twenty-eight thousand five hundred dollars (\$28,500), to construct a multi-purpose court; and authorize the transfer of the December 31, 1995 fund balance in that amount for this purpose. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the court is completed or in two years; or take any other action relating thereto. Selectmen recommend this appropriation.
5. To see if the Town will vote to raise and appropriate the sum of Twenty-nine thousand dollars (\$29,000) to pave Hunt's Pond Road, from Route 123 to the existing pavement at its junction with King's Highway; and authorize the transfer of the December 31, 1995 fund balance in that amount for this purpose; or take any other action relating thereto. Selectmen recommend this appropriation.

6. To see if the Town will vote to raise and appropriate the sum of Nine thousand dollars (\$9,000) to enlarge the existing swimming area at Norway Pond. This will be a non-lapsing account per RSA 32:3,VI and will not lapse until the project is completed or in three years; or take any other action relating thereto. Selectmen recommend this appropriation.

7. To see if the Town will vote to raise and appropriate up to Two thousand four hundred dollars (\$2,400) for the purpose of repairs and replacement of police equipment and authorize the withdrawal of this sum from the Hancock Police Equipment Repair/Replacement Fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto. {no budget impact} The Selectmen recommend this appropriation.

8. To see if the Town will vote to raise and appropriate up to Five thousand dollars (\$5,000) for the purpose of purchasing the necessary materials to do further work on the Hancock genealogy, and authorize the withdrawal from the Hancock History Fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto. The Selectmen recommend this appropriation. {no budget impact}

9. To see if the Town will vote to raise and appropriate up to Eight thousand dollars (\$8,000) for the purpose of upgrading the Hancock Meetinghouse to meet the requirements of the Life Safety Codes; and to authorize the withdrawal of those funds from the Hancock Meetinghouse Fund; or take any other action relating thereto. Selectmen recommend this appropriation. [no budget impact]

10. To see if the Town will vote to make the Selectmen the Agents of the Meetinghouse Fund, in conjunction with the First Congregational Church Council, for the purpose of expending any funds required to maintain the Hancock Meetinghouse in safe condition and in compliance with all life safety codes. This authority to remain in effect indefinitely until rescinded; or take any other action relating thereto.

11. To see if the Town will vote to authorize the Selectmen to accept the reports of auditors and committees as printed in the Town Report; or take any other action relating thereto.

12. To see if the Town will vote to urge our representatives to the General Court of New Hampshire and the United States Congress to pass laws reforming electoral campaign financing, thus returning the political process to the will of the people and encouraging the participation of candidates with great ability and limited means. Measures to accomplish this may include, but not be limited to, the following: 1. Sharp limitations on all forms of contributions to candidates, including soft money contributions (contributions to political parties); 2. Maximum spending limits per election linked to geographic and demographic make-up of each state and district, such as \$1.00 per voter;

3. Sharp limitations on all forms of spending to influence elections, including independent expenditures; 4. Sharp limitations on contributions to and spending by political action committees; and 5. Remedies, such a free broadcast time, postal subsidies, and democratic (public) financing, to balance inequities between credible candidates, incumbent and challenger, rich and poor. BY PETITION

12. To transact any other business that may legally come before said meeting.

Given under our Hands and Seal, this 13th day of February in the year of Our Lord Nineteen Hundred and Ninety-six.

## *INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of the  
Board of Selectmen  
Town of Hancock  
Hancock, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1995. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Hancock has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock, as of December 31, 1995, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

The entire report is available for inspection  
at the Selectmen's Office.

## SELECTMEN'S REPORT

This has been another good year for Hancock, in spite of a couple of minor setbacks. Thanks to your support, we now have all new heavy trucks in the Highway Department and will have a new fire truck in January to replace a 30 year old one that was becoming unreliable. A special vote of appreciation goes to Ed Eldred, who spent hours this summer supervising others and doing manual work himself in our cemeteries. In addition, we completed the project started four years ago to repair and reset all the "ailing" gravestones in the Pine Ridge Cemetery, thereby preserving that vital part of our heritage.

As to setbacks, Hank Query was incapacitated for much of the year, but now has a new knee and will soon be dancing the hornpipe. We are also the victims of severe weather. Several dirt roads washed out in the November deluge. Kudos go to the Highway Department for its rapid response in repairing these roads. In spite of the severe weather, the Highway Department has maintained their usual high level efficiency and outstanding services. We all owe them a real debt of gratitude for their dedicated efforts to keep our roads open even in the worst of weather.

Turning to our financial situation, we had another good year in that we came out with a surplus of revenue over expenditures. In spite of some major warrant articles, this surplus has permitted us to present to you a spending plan that will hold the Town portion of our tax rate with no increase for the sixth year.

You will note in the operating budget and warrant articles a significant increase in funds for recreational purposes. This is in recognition that we have not given our young people sufficient priority in past years. If we are going to tell them what they can't do, we should also support them with facilities that permit their normal activities.

Six years ago we embarked on a program that would reduce our significant debt, while still accomplishing necessary warrant items, such as major highway repair and replacing worn out equipment. The third element of our ongoing plan was to do the foregoing without raising taxes. To date we have met these objectives.

Looking ahead to the year 2001, we plan, with the support of you the voters, to continue our plan with these specific objectives:

1. Maintain the present tax rate if at all possible.
2. Reduce debt to zero.
3. Continue upgrading our roads that are in unacceptable condition.
4. Replace obsolete and unreliable fire equipment.
5. Provide adequate recreational facilities for young and old.

No report to you would be complete without recognizing the work of our many volunteers. Our Fire Department provided its standard outstanding service in responding to fires, accidents and medical emergencies. They have recruited 4 new members so that their numbers are at a better level. However, we join them in soliciting more new members.

## HANCOCK LIBRARY TRUSTEES REPORT

These may be the last simple times for the Hancock Town Library. In a few years, the librarians and trustees may look back nostalgically at a time when a library could be just books and magazines, with a few tapes thrown in.

We have debated the current and coming revolutions in digital information. The essential question for a very small library is how to jump on the train without being taken for an expensive ride.

Before the library commits to any of these much-hyped wonders, the trustees, and all thinking citizens need to confront the difference between information and knowledge, between a digitized flow of facts and wisdom. American life, more than one observer has said, is about flow: How many, how much, how soon. (More goods, more territory, more information.)

For now, we are a library in the oldest sense; books for readers. As far back as there have been libraries -- at Alexandria, in the Middle Ages -- this is how it has been, but with one important difference. Many libraries of the past were chain libraries -- the books were chained together.

Our books are free to go -- each a portable, user-friendly source, much as is said of the wonders to come. Weekly we hear about the 500-TV channel future advancing toward us. The smallest library has more than 500 channels now. These may be the last moments before we are uplinked, cabled, modemed, faxed, e-mailed, paged, and cell-phoned beyond any chance of recovering some time for solitary reflection, deliberation, judgment, reading. (We have one report of a man in a canoe on one of our beautiful ponds, talking on a cell phone. Say it isn't so.)

Soon the technologists and flow-masters will have their way with all of us. There will be benefits, but, as always in the 20th century, the price of the ticket is high. It's the unseen, unreckoned cost that we will pay for generations.

As the information age slouches toward Hancock, we offer our prayers for the common reader, up late alone with a good book, one reader, one author, on-line with the deep pleasures and possibilities of good prose.

## HANCOCK TOWN LIBRARY - 1995

In 1995, 26,951 books, video tapes, audio tapes, magazines and cameras were checked out of the Hancock Town Library. This represents an increase of 6.5 percent over 1994 and is indicative of the increased activity in the library.

Donations of materials and services are a vital source of assistance to the trustees and staff in dealing with the increased use of the library. Generous Hancock residents donated over 200 books, video and audio tapes which were added to the collection and many more were given for the "Sale Table". Services which were contributed include the mowing and plowing of the staff parking area, shoveling the walks, leadership of discussion groups and the presentation of wonderful programs. Checks were also given for memorial gifts and to add to the trust funds.

It would be impossible to keep up with the growing demands on the time of the staff if we did not have the dedicated team of 17 volunteers who donated over 1400 hours in 1995.

Through these diverse methods of contributing to the Library, the people of Hancock are making it known that they value the services provided by the Hancock Town Library.

## REPORT OF THE HANCOCK TOWN DUMP COMMITTEE

The continued success of the Hancock Recycling Center is a result of the community spirit of all the people in Hancock, those who take the time and make the effort to separate their trash for recycling and those dedicated people who are associated with the operation of the facility.

Almost everyone in town eventually goes to the "Dump" as it is affectionately called, and it is much more than a place to leave one's trash. It is also a place to meet friends and others, campaign for office, exchange political views and gossip, complain about the weather, exchange belongings, and, for some, vent their frustrations. There are more than eight hundred vehicles in town with valid dump stickers.

The removal and recycling of plastics, scrap metal, glass, paper products, cans, tires, oil, and reusable items from our waste stream benefits us all in several ways: the materials are sold and the proceeds are used to offset operating costs; hauling and disposal costs for the remaining waste materials are reduced; and the environmental impact is lessened by saving space in a landfill. This year we began recycling the category of mixed paper, and when new markets are found, additional categories will be added. Recycled oil is being used to fire the waste oil furnace at the town barn.

Recycling is a requirement for use of the dump and everyone is urged to do their best so that we can keep the budget for the facility as low as possible, thereby saving on taxes. A copy of the dump regulations and a list of those items that are recyclable are available at the town office. The staff can also help to answer questions. Periodically the staff will be asked by the Dump Committee to examine trash bags to ensure compliance.

The following is a brief recap of the 1995 budget:

-Budget appropriation \$43,114.00

-Income from recycling

    Tires \$ 432.00

    Metal 178.00

    All other 5,270.00

    Total income 5,880.00

-Total budget \$48,994.00

-Expenses

    Wages \$18,731.00

    Tire removal 421.00

    Trash hauling 21,861.00

    Equipment expense 1,050.00

    Utilities 890.00

    Miscellaneous 1,051.0

Total expenses \$44,004.00

Water sampling in the old landfill is done at regular intervals and will continue for the next thirty years to insure that ground water is not being adversely impacted. So far, the samples have been acceptable to the state agency that monitors that activity.

Many thanks to Barbara Caverly and Wendy Brennan for all of the details they handle for the dump and to the Highway Department for all the things they do to keep the operation running.

Special thanks go to Ken Blood, Bill McCormick, Bud Wilder, and Hank Query who work hard each week to make the dump a friendly and smoothly operating facility.

This year we were all saddened by the passing of Lenny Eagleson. Lenny was a long time employee and he will be greatly missed.

## HUMAN SERVICES REPORT

During the year 1995, \$2,696.69 was spent of Town moneys for direct aid to 8 applicants who qualified under the Welfare Guidelines of the Town of Hancock. The decrease in the number of applicants and aid given was due to re-employment, receipt of state aid, or relocation. Beyond the Town expenditures, \$10,535.61 was spent from the Hancock Helping Hands Fund. Many thanks to all who generously donated throughout the year and during the holiday season. This year 15 children and their families were helped with donations and gifts for Christmas.

Respectfully submitted,  
Wendy R. Brennan

## CEMETERY TRUSTEES REPORT

The Hancock Cemetery Trustees worked in 1995 to continue improving the appearance of the cemeteries. Headstones have been straightened and repaired, trees trimmed, brush removed, and in the Pine Ridge Cemetery we continued the process of leveling the ground.

Next year at the Hillside Cemetery, we plan to begin landscaping by planting shrubs at the gate. This will be the first step in our plan to address the stark conditions of this cemetery and to respond to the numerous requests for improvement.

Years of difficulties in keeping reliable personnel, paid on an hourly basis, constantly monitored by the trustees have left the cemeteries maintained, but not as well cared for as they deserve.

We are reviewing bids for the mowing and maintenance of the three cemeteries. Privatization of this task is how many towns address this problem, with excellent results. We will receive firm contracts from companies with trained personnel, and their own insurance and equipment.

Though the initial cost for this professional care will be higher than years past, we hope the townspeople will see the long-term benefits. Not only in the appearance, but also savings in not purchasing more equipment, and reductions in liability insurance.

The Town currently pays a percentage of the cemetery budget, the remainder is paid by cemetery trust funds. We are asking the Town of Hancock to please increase its involvement in the support of our history. Help us bring our cemeteries into the next century.

Carolyn Schaal, Chairperson

Priscilla Richardson

## **HANCOCK FIRE DEPARTMENT**

1995 was a year of both change and growth for Hancock's Fire Department. In January, Robert Kierstead stepped down as Fire Chief after over 20 years of dedicated service to the town. We feel fortunate that Bob stayed on the Department as an active member; his experience as a firefighter is a valuable asset.

Captain Douglas Bowen and Firefighters Robert Mesrobian and David Small all retired from active duty this past year. Doug leaves us after 20 years, Bob with 15 years and Dave with 8 years. We thank them for their years of service. We also took on five members: Joan Carley, Bret Sullivan, Eric Scott, Bill Moreen and Glenn Cuddy. And after a short hiatus, John Jordan returned to the Department.

Two house fires within a 24 hour period in February tested our organization. In spite of sub-zero temperatures, pre-dawn darkness and frozen water sources, we were able to put down both blazes. In all, Hancock responded to 133 calls which included rescuing an injured logger from Bald Mountain, handling three lightning strikes that occurred within minutes of each other and assisting a neighboring town with a potentially dangerous hazardous material incident. All totaled, over 1700 hours of call time was logged, making 1995 the busiest year in our Department history. Despite the historic call volume, our members managed to dedicate over 1000 hours to training, certification requirements and maintaining equipment.

With funds raised from donations, our annual raffle and the Old Home Day Chicken Barbecue, we purchased supplies and equipment for our station and apparatus. Our most important acquisition was the Cardiac Monitor/Defibrillator which has already been put to use on several calls.

In March, the town voted to replace the 1965 International Pumper with a state of the art Freightliner Fire Truck manufactured by the KME Corp. in Nesquehoning, Pennsylvania. Several members worked with KME to design a truck that would suit Hancock's needs for years to come.

In closing, we would like to thank the Ladies Auxiliary for the support they give us. They are always willing to help, whether it be at a fire scene, during training sessions, or fund raising. Thanks also to the Fire Department Study Committee, Police Department, Highway Department, Barbara and Wendy at the Town Office and the Board of Selectmen for the cooperation and assistance that they have given us.

We especially owe a great big THANK YOU to the families of our members, for if it weren't for their support we would not have a department at all.

Most of all, we would like to thank everyone in town for all of your support.

Respectfully submitted,  
Linden Joseph, Chief  
Michael Cass, 1st Asst. Chief  
Philip Mathewson, 2nd Asst. Chief

**FIRE DEPARTMENT STUDY COMMITTEE  
FINAL REPORT  
NOVEMBER 1995**

**TO THE BOARD OF SELECTMEN:**

Our charge from you in December 1993 was to study and make recommendations on the department's Equipment Needs and Staffing in order to maintain the quality of the Fire/Rescue functions in an effective, affordable manner. We were also to solicit input on the level of services that citizens want, expect and are willing to pay for.

We wish there was a publicized ongoing planning process for all town departments which would project capital expenditures for the next five years, updated annually. You may have your internal projections, but as far as we know, the last public disclosure of projected expenses was in a Planning Board report in 1991. Only the present debt schedule goes in the Town Report. Department projections can be viewed as wish lists, but if evaluated annually by department, and overall, the chances of an orderly process would be strengthened.

**FOR THE FIRE DEPARTMENT:**

We start with the decision that the present truck mix of 2 pumpers - 2 tankers - 1 rescue truck - 1 forestry/equipment truck is appropriate for at least the next 5-10 years. We support an approximate 20-year life span based upon the availability of spare parts and use. It is our understanding that debt to be incurred for the new pumper will impact the tax rate in 1997 when other debt is paid off. We project the need to replace a tanker in 2000, when it will be 27 years old, and the second pumper in 2005. The rescue truck, purchased in 1988 from donations, should be replaced in the same time frame.

In addition to trucks, we support the following improvements at the Fire House:

- An exhaust system so trucks can be started inside in cold weather without exposing the men to toxic fumes.
- A 30 x 40 addition to the building to accommodate storage of the equipment now in the old fire house so we can vacate that building.
- Showers and a washer/dryer for fire clothes so toxins don't go home.
- A new septic system will be required.
- A larger generator and a bunk room on the second floor of the addition so Emergency Management could be centralized at the fire house.

The department self finances a significant portion of the cost of equipment from public support of the annual raffle and at the Old Home Day barbecue. A substantial amount of the maintenance of equipment is done by the members on their own time, but we anticipate incremental increases in the operating budget for training new people, recertification of specialists, maintenance of special equipment, and replacement of worn out gear.

**FUTURE MANNING** of the department had been our greatest concern because the recruitment of new volunteers does not match expected retirements. Training pay and management changes have increased the participation of the present staff, but we are relying on a handful of self employed people for day time coverage - both Fire and Rescue. Put simply, the only way Hancock can provide a larger pool of potential volunteers is to rethink its business posture so more people are employed in town during the day. The limits on business set forth in our land use regulations reflected the wishes of the town 10 years ago. At some point, the town must choose whether to try to attract business or pay salaries and benefits to full time employees.

On the way to this conclusion, we have explored incentives such as entry into the town's medical insurance plan which would require 75% participation, a retirement plan for which state authorization is somewhere in the legislature, and the increases in training pay which have been implemented. We have not found anything significant that would offset the time demands of job and family beyond the pride and satisfaction that drives the present membership. All of the above would aid retention, but not recruitment. We believe that there is an opportunity to ease the time burden and keep older men involved by having non response personnel do cleaning, maintenance work and participate in events such as the barbecue. Potential recruits could join this group to get some exposure before undertaking a full commitment and training. This has been held up because we have not found a way to provide accident insurance.

We believe that the citizens want and expect the level of Fire and Rescue service that we have now. Their actions in approving the new pumper and an increase in the operating budget to pay members attending one of two regular monthly training sessions, paid physicals, and additional funds for special fire courses and medical training supports our belief. We are not sure that despite the publicity that the town is fully aware of an ongoing manner. The town must respond or down the line we may be faced with employment of outside paid professional to fill the gaps.

Our Open House/Hearing in October had too much competition and did not provide any guidance for the future. Town Meeting would be a better forum and we hope that as much of the report as possible can be included in the next Town Report in order to inform as many people as possible.

Respectfully,

John Goodhue, Chairman  
Linden Joseph, fire Chief  
Philip Mathewson, 2nd Asst. Chief

## EMERGENCY MANAGEMENT

This year we are fortunate to have Bob Kierstead accept the position as Assistant Emergency Management Director. Bob's long experience and service to the town will be a valuable asset to us all.

The Emergency Management team and your Local Emergency Planning Committee have been active and our rosters of volunteer and support activities are up to date and functioning.

On 27 Sept. 1995, a test of our Basic Emergency Plan was undertaken. It was presumed that a tornado swept through the center of town doing extensive damage to Main Street. The First Assistant Fire Chief was killed as was the Police Chief. The Fire Chief was not in town. Several weaknesses in our Plan were detected and steps have been taken to correct these.

There is continued concern that all town residents may not be in compliance with the Emergency Planning and Community Right to Know Act of 1986. If anyone is storing hazardous or other dangerous materials and had not reported them in accordance with the Act, severe penalties apply.

## AMERICANS WITH DISABILITY ACT

The Town has met the basic requirements of the ADA Act and continues to learn special needs requirements of its citizens. The ADA Coordinator welcomes any input from the community and is prepared to assist with any problems that may arise.

## WATER COMMISSIONER'S REPORT

Maintenance costs were slightly below normal for the year, primarily due to the mild winter. We experienced no water main breaks or frozen service lines.

The second of three required tests for the presence of copper and lead was performed with good results. All ten samples were well below acceptable limits for both metals.

The treating system continues to function well, meeting all test requirements. The problem with disruptions of electronic equipment from summer thunder storms remains troublesome, however we believe the permanent solution is now in place.

Our application for state grant aid was approved and the first payment of \$10,465 was received in December, amounting to 20% of construction and bonding costs through June 1995. Subsequent payments are expected each year until the bond is retired. With this financial aid we expect to be able to manage the operation, maintenance, and debt service from the current level of water rent revenues.

[Congratulations to Dick Quinn and the Water Commission for being the first to submit their annual report!]

## HANCOCK CONSERVATION REPORT OF EVENTS

On April 16, town residents and children participated in the annual town clean-up of Birch, North, Vatcher, Lee Farm and Brimstone Corner roads, plus Windy Row.

The Forestry Management Committee focused timber stand improvement activities on the Juggernaut Pond tracts eastern section. Selective timber marketing took place on the tract's northwestern and southern sections. By thinning out poor-quality trees and selectively cutting mature trees outside the watershed, we are systematically upgrading the tract's timber quality while maintaining the town's recreational and wildlife resources.

The committee also supported education for conservation with donations to NH Envirothon, and Great Brook School wetland studies.

Committee members also participated with the Norway Pond committee in water testing and looking for ways to improve the water quality of Norway Pond.

Three driveway permits were approved and all easements held by the town were monitored.

## RECREATION COMMITTEE

1995 has been year of constant growth, development, and improvement as the committee continues to promote, maintain, and support the good health and well being of all residents in our community.

To date we have sponsored the following activities: aerobics classes, gymnastics for youth (which has grown incredibly this year), art classes - watercolors, youth bowling, youth basketball, adult volleyball, Country Line dancing, bus trips to Ringling Bros. Circus, the Boston Celtics, New England Flower Show, Disney on Ice, and Fanueil Hall to hear the Hancock Bell Ringers perform, the Winter Frolic, and the monthly Hancock Happenings calendar that keeps you posted and up to date on activities occurring in town.

In addition to the programs sponsored by the dedicated work of Martha Blanchette, Pat Newcomb, and Betty Pels the committee has been responsible for the addition of a 2" water hydrant to the Town field for the purpose of maintaining and flooding the ice rinks. Thanks to the State Corrections Dept. our Town gym and bathroom facilities had a facelift. The tennis court received its much needed repairs and the docks at the beachfront were outfitted with new decking.

In the months to come we have several agenda items in which we could use your help and support...we have proposed the construction of a multipurpose court to replace the old tennis court and backboard. This court will provide the following forms of recreation: rollerblading, skateboarding, basketball, floor hockey. singles tennis practice (serving backboard), outdoor dances (for Old Home Day), and other outdoor games such as foursquare, shuffleboard, or hopscotch. A picnic area will be constructed at the beachfront for those who would like to enjoy a hamburger while cooling off in the pond after a long day at work. A request for an outdoor volleyball net will be honored, the net will be set up in the reconstructed ice rink. The ice rink will be undergoing some minor grading repairs...to prevent the water/ice from running out of the rink down the hill. And finally, the Town field will be getting an overhaul. All of these improvements to Town facilities are in response to your continued support of recreation as a valuable entity in our community.

Once again, the committee would like to thank all the "Friends" of recreation who help make possible many of the activities that we all take part in... The Waterfront, Youth soccer, Youth baseball and softball, Adult and youth basketball, the Ice rink (including snowplowers - Adam Blanchette and Ed Coughlan). the maintenance of the Tennis Court, and to Nancy Adams and Marylou Moreen for creating the Hancock Happenings monthly. And to all those behind the scenes people, many thanks.

Presently we meet the 1st Thursday of the month. If you have any questions, or suggestions please feel free to join us at the Town Office at 7 PM or call the following active committee members.

**MARTHA BLANCHETTE** -Vice Chairperson, Beachfront, Bus Tours, Youth Activities, Scheduling of Gym and Fields 525-4025

**WAYNE COX** - Ice Rink, Multi-purpose Court 525-4315

**DONNA GEER** - Secretary, Program Development 525-4308

**PAT NEWCOMB** - Tennis Court/Lessons, Art Programs 525-6658

**BETTY PELS** - Treasurer, Fitness/Exercise Programs 525-6688

**BRIAN HIGGINS** - Maintenance, Inventory 525-4034

**RENNIE TIMM** - Chairperson, Budget, Community Liaison 525-4728

## **PLANNING BOARD**

The Planning Board did not experience the pressures of prior years and as a result the demand for Board actions was greatly diminished in 1995. This decrease in activity was most probably reflected by the surplus of available properties for sale in Hancock and surrounding communities.

The Board conducted hearing and approvals on just two subdivisions and one boundary line adjustment. In addition, we had a number of preliminary hearings concerning proposed boundary line adjustments. In other issue, we continue to work with a number of gravel pit owners in their endeavors to reclaim depleted gravel pits.

In 1996, the Planning Board proposed to undertake an update of the Master Plan and CIP so as to keep these documents as current as possible. We will look for community participation, suggestions and feedback through public hearings as we work on these revisions. The Planning Board continues to meet at 7:00 p.m. on the 1st and 3rd Wednesday of each month and we welcome the interest and input of the residents of Hancock at our biweekly meetings.

## COMMON COMMISSION

The Common Commission consists of three persons who are elected on a rotating basis for three year terms. The Commission is responsible for care of the main common around the bandstand, the main flagpole, the island at the intersection of Old Dublin Road and Main Street, the area behind the post office, the area around the horsesheds, and the fountain at the east end of Main Street. The Commission is also responsible for keeping flags and halyards in good order and flying at the main flagpole and at the ball field on School Street. The work is done on a volunteer basis and again this year, the commissioners used their own equipment, saving the town some expense.

During the past few years, the budget for the Commission has been sufficient to purchase flags, fertilize some of the common areas, and purchase paint for the annual painting of the fountain. Going forward however, additional funds will be needed to catch up on maintenance items such as painting of the main flagpole, repairing masonry, reworking of the flower beds, additional fertilization of the common areas, pruning of dead tree limbs, and maintenance of the fountain. Each fall, the fountain itself has been carefully removed, stored and reinstalled by the Highway Department. The commissioners have been taking their toll. The commission is looking into options for repairing or possibly recasting this venerable town symbol and harbinger of spring.

The Commission is grateful for the generosity of several families who have donated large flags this year. Flags are a major expense, and thanks to these donations, there are enough flags on hand to last through the coming year. If anyone wishes to donate a five foot by eight foot flag, it will be greatly appreciated.

Thanks also to the volunteers who helped by planting and trimming flowers and shrubs and to everyone who helped by picking up litter around the common areas and the bandstand.

A special thanks goes to Ed and Barbie Burt who donated and decorated the beautiful Christmas tree on the bandstand again this year, as they have for many years.

Respectfully submitted,  
The Common Commission

## **HANCOCK GENEALOGICAL COMMITTEE**

The members of the Hancock Genealogy Committee continue to research and accumulate information regarding Hancock families from 1890 to the present. As voted in 1980, the goal of the present work is to research and publish genealogical information on Hancock residents and their families through 1979, Hancock's bicentennial year. The committee is particularly determined to complete this phase of what has become an ongoing and important project to accumulate, preserve and make available data on Hancock residents past and present during the coming year. It is hoped that anyone whose family lived in Hancock at any time prior to 1979 will help by taking time over the next several months to make sure that their information is accurate and complete to that date. A list of family records already on file will be available at Town Meeting or from a committee member. Our research generates lots of facts about your families but we depend in a large part on you to give us "the rest of the story", the biographical notes that keep people alive and interesting to future generations.

Committee volunteers are always welcome; one of our more immediate projects this coming year is the creation of a new reference map of Hancock properties past and present utilizing the recent numbering and road naming system instituted in town. This would help us replace historical references such as "the old Smith place" and road names like "the old Peterborough road" with something more definitive and enduring.

We'd encourage anyone who might like to help with this or any other project to contact us.

Genealogy is much more than names and dates; it's a fascinating glimpse into the history of our town and its people.

Respectfully submitted,

Cynthia F. Amidon 525-3452
